WELCOME TO THE UNION 80

CONSIDER THIS AFFORDABLE 80± ACRE TRACT IN UNION COUNTY, ARKANSAS JUST A FEW MILES SOUTH OF ELDORADO. The property consists mostly of low-lying cypress and some bottomland hardwoods along the banks of Bayou DeLoutre. There are several islands across this tract that will hold deer. Upon initial evaluation, multiple scrapes and hooked trees were noted along the creeks. This tract will offer deer, duck, and small game hunting. A target rich environment will make this tract usable year-round, and more than likely, a gobbler or two will be in the area.

The price may jump off the page but take in to consideration this tract does not offer legal access. Additionally, the timber rights are reserved but could likely be bought. Even with these circumstances in mind, this would make a fine place to hunt. This property is landlocked.
