# WELCOME TO THE CARROLL 183

**BIG BUCKS, TURKEYS & DUCKS!** If any of that grabbed your attention, you need to visit the Carroll 183. Located off Hwy 35, just south of Vaiden, MS in the Big Black River bottom, this 183± acre property provides you with all the hunting opportunities you can imagine. The Carroll County property consists of 45± acres of hill ground with the remaining acreage being bottomland. The hill ground offers hardwood timber and is split by Highway 35 providing the opportunity for a cabin or home site, all while not disturbing the recreational aspect of the property. Utilities are available at the road. The bottomland makeup consists of big timber along Hays Creek, select cut timber, thickets, and sloughs. This combination provides an ideal habitat and hunting opportunities for deer, duck, turkey, hogs, and small game. An established trail system is in place to help navigate a portion of the property. Situated approximately 1.5 miles from the Big Black River, this is a game rich environment!
