# WELCOME TO THE LEAKE 20

**SMALL TRACT, BIG DREAMS: EXPLORE THE LEAKE 20.** Discover this 20± acre tract with a big feel, tucked in beside the Yockanookany River in the heart of Sanders Crossing Swamp. Leake County, MS is renowned for its abundant wildlife and trophy deer. This place offers many the chance to own their own recreational land.

Historically used for farming from the '60s to '80s and later converted to hay fields until the early 2000s, the overgrown fields now provide a thicket for wildlife and an opportunity to invest in timber. An old pond, once used for livestock, still exists at the center of the property. You will find mature pines and oak timber spread throughout. *Disclaimer: This property currently has no deeded access.*

**If you're seeking a small tract with endless opportunities and excellent wildlife, give Dewayne Atkinson a call today to schedule a private showing of the Leake 20.**
