# THE CLIMATE

# NO HAT RANCH & BUNKHOUSE

**T**AKE ADVANTAGE OF ALL FOUR SEASONS IN SCENIC SOUTHERN IDAHO. Enjoy the vast recreation and hunting provided by the normally mild but sometimes snowy winters. Relish the cool, dry springtime air as the snow melts, the creeks rise, and the cattle start grazing. The long, warm summer days make it difficult to slow down and find rest in the cool nights. The cool fall months welcome a little moisture and reward for the long summer as cattle are shipped, crops are harvested, and firewood is stacked for winter.

# THE COMMUNITY

## NO HAT RANCH & BUNKHOUSE

**H**omedale is a vibrant but quiet and desirable little community on the Snake River. It's far enough out to maintain its traditional culture but close enough to be convenient to services and activities. In the near future, it will be home to a D&B Farm Supply and several new establishments. This new development is sure to complement the existing variety of good food, shopping, supplies, and everything needed to keep the home and ranch running smoothly. School sports, rodeo, hunting, fishing, farming, and ranching still reign in the culture and lives of the residents and surrounding area. The Owyhee County Fair brings in people from miles around as FFA and 4H take center stage for the culmination of a year of hard work and challenges building the next generation.
